

YOUR HEALTH IS OUR #1 PRIORITY

Here are the actions we are taking

- Asking employees and customers to wear a mask covering their nose and mouth
- Using shields or barriers between customers and clerks at the lobby counter
- Providing personal protective equipment for employees

- Disinfecting common areas regularly including high-touch surfaces
- Providing disinfectant and sanitation products for workers to clean their workspace and equipment

- Maintaining the six-foot physical distancing requirements for employees and patrons
- Refraining from physical contact and limit shared tools or spaces
- Limit the village office lobby to one visitor at a time.

- Making hand sanitizer, disinfecting wipes, or soap and water readily available to employees and customers
- Requiring hand washing and sanitation by employees

- Encouraging high-risk individuals to stay home
- Requiring workers who exhibit symptoms or illness to stay home or seek medical attention

- Using technology solutions where possible to reduce person-to-person interaction
