

Due to concerns about spreading the corona virus, the Rouses Point Dodge Memorial Library will be closed until further notice.

The Wi-Fi “vorppl” can be accessed from outside of the building. There is no password needed.

There will be free books, audiobooks, magazines and DVDs placed outside the front of the library. Please feel free to help yourself.

We thank you for your patronage over the years and will reopen as soon as possible.

Remember – stay 6 feet apart – do not touch your face – wash your hands frequently.

Stay safe, stay well.
